Limitations

The findings in this report came to our attention during a limited desk-based review of IFTI reporting compliance with Chapter 17 of the AML/CTF Rules. As this review was not a comprehensive end-to-end implementation review of IFTI reporting compliance, testing was not conducted on the remaining IFTI reporting compliance obligation and therefore this report does not provide assurance regarding the operating effectiveness of the actual systems and controls designed and implemented as part of the AML/CTF Program. The possibility therefore exists that the final report may not include all weaknesses that exist or improvements that may be made where these relate to controls not tested as part of this review.

Our work does not constitute an audit in accordance with Auditing Standards and the review is not a substitute for management's responsibility to maintain adequate controls over all levels of operations and their responsibility to prevent and detect irregularities. Management should therefore not rely solely on our report to identify all weaknesses that may exist.

Our work is not binding on the courts or any relevant regulators and this is not a representation, warranty or guarantee that the relevant regulators will agree with our work.

Our comments should be read in the context of the scope of our work as detailed in the statement of work. Where possible, management representations are independently verified, though some findings within this report may have been prepared on the basis of management representations which have not been independently tested.

Background

In accordance with the AML/CTF Act, Project Emerald is required to comply with all applicable IFTI reporting obligations under Section 45 of the AML/CTF Act and Chapter 17 of the AML/CTF Rules, including designing and implementing appropriate systems and controls as part of the AML/CTF Program to ensure compliance with the IFTI reporting obligations.

This report sets out the findings of the limited scope desktop review of a sample of IFTIs reported by Crown Melbourne to AUSTRAC and the compliance of those IFTIs with Chapter 17 of the AML/CTF Rules.

Scope

This desktop review of Project Emerald's Melbourne IFTI reporting compliance for IFTIs filed in March 2020 took place in December 2020 / January 2021.
