Dear Mr Felstead

CONFIGURATION CHANGES – WELCOME BACK BONUS JACKPOT

I refer to your letter of 17 December 2002 seeking approval for configuration changes as specified in the configuration worksheets. I advise approval is granted under sections 62 and 64 of the *Casino Control Act 1991* and return the jackpot configuration parameter statements with the appropriate endorsements.

You should be aware that any approval of equipment under section 62 or section 64 is, as section 62 states, "for the purpose of determining whether the equipment is suitable to be approved for use in a casino". Accordingly, such approval cannot be taken to extend beyond that stated purpose.

Yours sincerely
