Dear Professor Blaszczyński,

Crown Resorts Responsible Gaming Advisory Panel

As you are aware, Crown Resorts is in the process of establishing a Responsible Gaming Advisory Panel ('Advisory Panel').

The role of the Advisory Panel is to provide information and advice in relation to Crown Resorts' responsible gaming programs and services, and the monitoring and evaluation of these programs and services. Initially focussing on Crown Melbourne and Crown Perth, in due course the work of the Advisory Panel would encompass Crown Sydney.

Following your recent discussions with Professor John Horvath, I am writing to formally invite you to consider joining the Advisory panel as Chair and member.

Crown Resorts is excited about this leading initiative, which is designed to contribute towards further developing Crown Resorts' responsible gaming programs, services and culture now and into the future.

The Advisory Panel would be comprised of three representatives (including the nominated Chair), each of whom will have with extensive and well recognised experience and expertise in problem gambling research and treatment, and responsible gaming programs and services. Membership on the Advisory Panel will not only enhance Crown Resorts' approach to responsible gaming initiatives but also provide members with valuable insight into responsible gambling issues at an operational level.

The immediate focus of the Advisory Panel would be in relation to Recommendations relating to responsible gaming of the recently released Victorian Commission for Gambling and Liquor Regulation *Sixth Review of the Casino Operator and Licence June 2018 Recommendations*.

The Advisory Panel will be governed by formal Terms of Reference and have the administrative support of Crown Resorts.

Please let me know if you would be interested in meeting with me to progress this unique opportunity.

I look forward to hearing from you.

Yours faithfully,

Barry Felstead
Chief Executive Officer - Australian Resorts
