Hi Jason

Recommendation 18 provides:

The VCGLR recommends, in all future submissions by Crown Melbourne to the VCGLR for approvals under the Casino Control Act or Gambling Regulation Act, that Crown document:

- *the purpose*
- *obligations under relevant provisions of legislation, the Transaction Documents, and existing approvals*
- *what changes the grant of the approval would make to products, rules and procedures, etc*
- *risks associated with the approval Recommendation accepted and how they will be treated*
- *how responsible gambling considerations have been taken into account in the process and the measures Crown will implement to mitigate the risk of gambling related harm, and*
- *which areas of Crown will be responsible for managing implementation.*

As you're aware, Crown has been making submissions with the inclusion of a cover sheet addressing these points for over a year now. I would like to write to the Commission to close the Recommendation off, but thought perhaps we could discuss this Recommendation when you and Rowan are here in the morning?

Regards
