Hi Mary – a quick status update to let you know that we are aiming to get you something on this tomorrow. I was aiming for today but our Shanghai team member who is doing the analysis is out sick today. I hope that timing is ok. Thanks.

Best regards,
Kyle

Hi Kyle

Jan and I have been provided with the attached article from Xavier Walsh (who you met by telephone).

Following our discussion late last year, could you please consider, in particular the comments in relation to the extraterritorial extension of the now apparently active law. Also appreciate a confirmation as to whether the law is now in fact active.

As you know, we have staff currently stood down in Macau, Hong Kong. We are obviously concerned to ensure they are not in any particular risk.

If you are able to come back to us early next week we would much appreciate it.

Kind regards
Mary
