Hi Jason,

Further clarification with Jenny, she is recommending that we absorb the admin charges only when [REDACTED] turn 10 times cash or 5 times NN or 50% losses.

Dear Jason,

[REDACTED] is planning a trip to Melbourne tomorrow and has requested to drawdown AUD2.8M from his China Union card to open a premium program. He is currently in Sydney.
As discussed with Jenny, we would like to recommend picking up the 1.65% admin charges if patron turns at least 5 times (\$14M) or lost at least 50% of his FM (\$1.4M).

Seeking your approval to proceed with the above.

Thank you.
