Dear Mr Phillips and Ms Gill

Royal Commission into the Casino Operator and Licence

We refer to:

- our letter dated 13 July 2021, noting that Crown has identified documents that it wishes to rely on in its submissions which have not been tendered through a witness; and
- the Commission's email dated 14 July 2021, where the Commission confirmed that it would be happy to proceed on the basis of receiving written notification of certain documents which Crown may wish to tender, rather than having every document tendered through a witness.

We have identified seven documents in the appended list of documents that Crown wishes to tender, which have not been previously produced to the Commission. We will shortly send through you a link to a production of the seven documents.

This list includes a report titled 'Crown Culture Review – Current Culture – Final Report', dated 30 July 2021. This report is the output of phase 3 of Deloitte's review of Crown's organisational culture.

Non-publication of certain information

Crown reserves its position in respect of any personal identifying information or other information in any of the documents which may be the subject of an application for a non-publication or restricted publication order.

Yours sincerely
